A MESSAGE FROM OUR PRESIDENT

We would like to thank Wayne and Brinda Corrigan for hosting our last meeting. As I sit at my computer, thinking of something to write for the newsletter, I look around the basement and see a lot of phonographs, books and records I have purchased this winter. Stanton had a November sale, also one in March. Vogue records were selling low at the November sale so I loaded up on about twenty of them. The March sale had a lot of phonographs selling so low you just had to buy some. All of this after I promised Judy I would start slowing down on collecting. The union show is coming up in June, and with warmer weather, outdoor auctions don't sound bad, if I drive slower to these places, would that be the same as slowing down on collecting? I hope to see everybody at Rod & Diane Pickett's home in April.
