A MESSAGE FROM OUR PRESIDENT

Thanks to Loraine and Al Gentry for hosting our January meeting and for the great meal and company. Al was gracious enough to offer a door prize (a model of one of the Gennett buildings), but we decided to wait for the April meeting where attendance is expected to be better before we "draw" for the prize.

Wayne Corrigan suffered some leg injuries late last fall and continues to recuperate. We wish him well on his recovery.

Looking forward to a good turn-out at Kathy and Rick Aldrich's place on April 18, 1 PM Central. Note this is a departure from our original schedule - and - we will be on CST because of Daylight Savings Time. We should have plenty to talk about, including the upcoming Stanton auction and the new Nauck record auction to be released in April. I'm also thinking that Tim Fabrizio has a new book about to be released. Perhaps we can poll for a quantity order for a good discount. 2004 Dues will also be payable, as they help pay for minor expenses and the costs of this newsletter.
