

The Hoosier Antique Phonograph Society is officially the Indiana Chapter of the Michigan Antique Phonograph Society. There are many good reasons for such a cooperative affiliation. In order to become a member of HAPS, you must also become a member of MAPS. The annual cost of membership is only \$30 for both organizations: \$25 annual dues to MAPS, \$5 annual dues to HAPS.

Please complete the following information and mail this application with your check for \$5.00 to:

Dick Oxenrider
